March 10, 2013

One of the most vital, life giving, and challenging part of our jobs is discipling faithful men and women who desire to grow in their walks with the Lord and bring the message of the Gospel to others. I (Courtney) have the privilege of mentoring seven women on the UW-Stevens Point campus. It's truly the highlight of my job. I LOVE these women. They're strong, courageous, God-fearing, beautiful women. I'm tearing up as I write these words. It's truly a privilege to mentor and learn from them. As promised, meet the ladies.

Blessings, *Erick & Courtney*

Heather is graduating this spring. She's an education major who's incredibly hard working & intelligent. She has a deep love for women and desires for them to courageously walk in purity and boldly serve the Lord. Despite her busy student teaching schedule, she helps lead a bible study and disciples another student. I've learned a lot from Heather and I'm excited to watch how the Lord uses her to share the Gospel with her colleagues.

Kate is also graduating this spring. She's a Biology major who will be tackling the world of Medical School this fall. She's bright, focused, super fun and has a heart for men and women to give their all for Jesus. She is excited to be a doctor and bring the hope we have in Christ to the field. She serves as our Women's Ministry leader and helps shepherd the women (and the men) involved with Cru. She also disciples two women.

Dayleen is senior who is not only a student, but also a wife. She got married last summer and while balancing work and school, also cares and serves her husband. She is disciplined, focused, and savvy. She's courageously walked through a lot in her life and continues to sing praises to the Lord. Dayleen also disciples another student.

Lauren is a junior who is a talented musician with a BEAUTIFUL voice. She's fun, thoughtful, and is courageously learning more about how to serve the Lord in all areas of her life. I'm encouraged by her desire to be the woman the Lord called her to be. She coaches the Hansen Hall bible study, disciples a student, and serves on our worship band.

Amy is a sophomore who is just a ball of energy and sunshine. She loves God and loves people -- that pretty much sums up Amy. :) I'm continually encouraged by her heart to bring the message of the Gospel to her family and friends. Amy helps lead a bible study in Baldwin Hall and disciples two freshman -- one of whom (Holly) prayed to receive Christ with her and I the first week of school.

Amanda is a junior who knows EVERYBODY. She loves people so well and has this uncanny ability to remember little details about everyone who crosses paths with her. I'm so encouraged by the joy she pours out onto others. She's a natural gatherer who not only serves as a CA in Watson Hall, but as one of the bible study leaders. She also disciples a student. She's going on summer project in Denver, CO.

Anna is a sophomore who also serves as a CA and bible study leader in May Roach hall. Anna is teachable, seizes opportunities to share about her relationship with Christ with her friends, and is continually asking questions to learn more about God and her faith. Anna will be traveling to Juneau, Alaska for summer project in May.

Prayers & Praise

The month of March is Women's month. Each week we bring all of the women's bible studies together so they can learn and fellowship as one larger group. Pray for new relationships to form, and current relationships to deepen. Pray that God speaks individually and collectively to the women on this campus.

Pray for us as the ministry has graciously given us a leave of absence to pursue needed financial support to continue ministering effectively at UW-Stevens Point.

Pray for the spring break trip coming up the last week in March. More than 20 students & a few of our staff from central Wisconsin will travel to Florida to share the Gospel on the beach among the spring break party scene. Pray for life change.
