May 13, 2013

It is finals week at UW-Stevens Point this week. As the semester comes to a close, most students are packing up just for the summer, but our seniors are transitioning into a new stage of life. Pray for them to be used mightily by the Lord to bring people close to Himself. Pray they are 100% sent from college and continue to multiply their faith in their sphere of influence.

**Diego:** This summer, Diego will be raising financial support for a one-year STINT (short-term international) internship in Russia. Diego's heart for the lost was formed after he did a summer project in Russia last year. He is passionate about multiplying his faith in this dark nation.

**Kate:** Kate continues to rest in the Lord as she waits to hear if she has been accepted into medical school. In the mean time, she is applying for possible internships and job shadows in central Wisconsin next year. Pray for patience and peace in this waiting season.

**Cale:** After graduation, Cale will be getting married this summer to his fiancée Lindsay. He is trusting the Lord as he pursues his goal of making a career in the medical field using his Physical Therapy major. He is passionate about healing others both physically and spiritually.

**Heather:** Though Heather is walking the stage this weekend, she isn't officially done with college until she wraps-up her student teaching semester the first week in June. This summer, she will be applying for jobs in Wisconsin to become a High School English teacher.

**Dustin:** After collecting his diploma, Dustin is pursuing a path to work with youth. He has a heart for mentoring young people through life and will be working for CCLS (Creative Community Living Services) this summer. He is also pursuing an internship at a local church.

Blessings,

*Erick & Courtney*

## Prayers & Praise

Praise God for how He has worked through these seniors and the legacy they have on this campus. Pray that they would be 100% sent to their mission field. Pray for them to influence others with the message of the Gospel for the rest of their lives. Pray for their transition out of college and into their next chapter -- pray they would call others, just as Paul did, to "Follow me as I follow Christ."

After building a spiritual community on campus, students who go home for the summer often have difficulty growing spiritually. Pray for our students to seek the Lord and grow in their affection for Him in new environments.

Continue to pray for us as the ministry has graciously given us a leave of absence to pursue needed financial support to continue ministering effectively at UW-Stevens Point. We are growing closer to our goal and praise God for that! Pray for the Lord to meet our needs by mid-May. We thank you for your partnership in our ministry.
