Prayers & Praise

Praise the Lord and pray for the 100 men and women who have received Christ as their savior this summer on the beaches of South Carolina. Pray for the Spirit to lead them to Christ-centered churches that teach them how to walk with God and reach others.

Pray for our students who are still sharing their faith every day on the beach and at their jobs within the community. Pray they would walk by faith and persevere through the busy and demanding schedule of summer project.

We have some large and urgent financial needs for our ministry before we can begin the fall semester in early August. We have already seen the Lord at work, but pray for the Lord's favor this next month as we raise one-time financial support and new monthly partners. Pray we would draw our strength from the Lord and not rely on ourselves and what we think we can control. Pray for courage and boldness, as well as peace and rest in the hope we have in Jesus Christ.

It's hard to believe it, but summer project in North Myrtle Beach, South Carolina has come to a close. After all that has happened we wanted to share one of the many highlights from the summer. This one came at the beginning of our "Killing the Giants" week. This week is completely dedicated to sharing the Gospel like it's the last week you might be able to do so. This pushed students toward really seeing the need for the Gospel to be shared and stretched students and staff alike.

July 7, 2014

While out on the beach sharing the Gospel, Erick and one of his disciples Andrew went up to a mom, dad and their 10-year old son. Not your typical North Myrtle Beach group that you might approach, but they felt the Spirit lead and they charged on ahead. Erick and Andrew asked some spiritual interest questions, and through that they discovered that the mom and son were Christian believers but the dad, Chuck, wasn't. He had just begun attending their church that month but wasn't sure if he was willing and ready to be "all in" with his faith in Christ. Erick and Andrew asked him if he'd be willing to go through the "Knowing God Personally" booklet that explains the Gospel in four main points. Chuck said yes, and by the end of the conversation Chuck prayed to receive Christ into his life!! Erick has commented on the beautiful unity that was brought to that family that day, and has noted several times on how Chuck's wife had been praying for a while that he would come to faith. What an amazing moment to be a part of in God answering prayer!

Andrew and 82 of his peers are still down in NMB until August 2nd. When the staff left, more than 1600 people had heard the Gospel and 100 people had prayed to receive Christ!! Life change happens when we take steps of faith in the power of the Holy Spirit and leave the results to God.

Thank you for praying for us, our students, and open hearts on the beach this summer and joining us in reaching the lost for Christ.
