## Prayers & Praise

Praise the Lord for our students who just left North Myrtle Beach on Saturday. It was such a special summer of the Lord revealing more of Himself to them and bringing them together as a community. We celebrate with them as they hit their goal of having 2500 Gospel conversations in 10 weeks!! We're so excited to see how the Lord uses these 83 students to further His kingdom.

Thank you for praying for us in our financial support. We're celebrating that the Lord has met our needs and we're so grateful!! We're in awe of how He works and we know how worthy He is of our trust.

Pray for our staff team as we begin this week (crazy!) to begin a new school year together. There are some big team transitions for us. We're excited about a new group of interns joining our team and how God will use them to sharpen our team.

Pray also for the incoming freshman class and that their hearts are prepared to hear the Gospel. Pray that their hearts would long for intentional community and that the Spirit would lead them to our students in the dorms, in their classes, events on campus. Pray for life change.

Happy August! It's hard to believe that it's back-to-school time again and that the freshmen will be moving in the dorms in less than a month!

August 4, 2014

The summer has really flown by for us, but we do love the fall and are really looking forward to the new school year. As you yourself prepare for fall, pray with us as we seek the Lord and trust in His timing as we reach new students. Pray for our first week events like the Corn Roast, Volleyball blast, First Cru and Green Bay Packer party. Pray these events gather students in an environment that encourages friendship and is a safe place to talk about God and begin/build into a relationship with Hlm. Pray for lifetime kingdom leaders to be raised out of this incoming freshman class.

To help us prepare for these events, and be ready the first day students step on campus, we will have staff meetings beginning this week. We already began strategic planning for this school year back in May, but now our planning begins to be put into action. We're in a lot of transition as a team this year so we have to confess this fall does feel a little "unknown." We're incredibly excited to see the Lord work, but we would be lying if we said we weren't a little nervous. But God is always present, always with us, and always knows what He is doing.

Our staff team said goodbye to seven interns at the end of last year, but we are welcoming five new interns this fall. We're so grateful to the Lord for these laborers!!! We've known all five of these men and women as students, and we're excited to get to know them as co-workers. As trainers on our staff team, we're excited to begin to pour into their development as professionals and help them grow into more effective laborers on campus and beyond.

Colin, Mollie, Marshall, Abby and Luke have spent the summer raising the financial support they need to be on campus with us full time this fall. There are still some needs they all have so do pray for them as they labor hard this next week. Their date to join us is Tuesday, August 12th. Pray that their affection for the Lord and faith in Him would grow!! Pray they would be fully funded so they can turn their focus to reaching students in Central Wisconsin.

Thank you for your continued partnership in reaching students and faculty with the hope of the Gospel. We could not be where we are without you and we're so blessed by your partnership with us. We think of you every day we step on campus.

Yours in Christ,

*Erick & Courtney*
